IuccTools

Public Tools

- Looking Glass (IPv4) - allows to run ping, traceroute and bgp commands
- Many local IUCC stats - Interfaces, upstreams, environment, Usenet news, and much more
- NASA-IUCC stats - NASA Ensight Active Testing stats
- IPPM stats

Private Tools

Contact IUCC NOC \(nocplus@noc.ilan.net (mailto:\(nocplus@noc.ilan.net).il) for information from any of the following tools:

- Netflow reports - Custom designed
- Multicast Beacon IPv4 - IPv4 multicast reachability matrix
- Pcube reports - Bought by Cisco

IUCC is willing for PERT CMs to have access to non-public IUCC network information. If as a part of an investigation a PERT CM needs more info about the IUCC network they should contact Hank (or the IUCC NOC) for more assistance.
