Arquivo.pt Award a New Dissemination Approach

Distinguishes innovative research projects that use materials and information from the free universal access service offered by Arquivo.pt.

Contestants must take advantage of the search engine openly accessible by Arquivo.pt to formulate their proposals.

Submissions to the contest should clearly demonstrate Arquivo.pt's utility and its unique nature.

Arquivo.pt Award

Comprehensive approach to promote Arquivo.pt:

- Banner on site
- 400 Posters (campus and Libraries)
- Mailing list for researchers and graduate students
- Social media (FB,LI,Twitter)
- Media (Radio and TV interviews, radio spot and press)
- Award presentation at Ciência 2018
