

Online proctoring: ready to scale up?

Alternatives for written tests

WILFRED RUBENS, SURF

Agenda

Alternatives?

Online proctoring

Preparations

Challenges upscaling online proctoring

Alternatives

- Online test without online proctoring (start and deadline)
 - Alternative way (e.g. open book)
 - Test is formative
 - Test is cancelled
 - Test is postponed
 - Online proctoring
-

Online proctoring

- Live online proctoring (scalable?)
- Storage and checking afterwards (external proctors)
- Automatic proctoring (configuration by examiner, checking report bij examiner)
- Experiments/initiatives on small scale (till now)

Preparations

- What is it?
- Privacy statement (be clear how you handle data)
- Instructions
- System check
- Behaviour and tools permitted
- Manage expectations (e.g. fraude prevention)
- Example:
<https://canvas.vu.nl/courses/47759/pages/online-proctoring-information-for-teachers>

Challenges

- Privacy, objections students (hide identification number etc).
 - Capacity providers online proctoring (e.g. enough proctors?)
 - Technical problems (more than 150 students)
 - Facilities students
 - Implementing in policy
-
