General topics

- Robertas Visockis joined team Alphas to support the StatRep activity on behalf of eduGAIN
- No TIM program this cycle

- ✓ Stephen and Robertas brought up to speed
- ✓ Infographic file export implemented
- 😞 No stakeholder meeting due to holidays
- ⊖ Without a stakeholder decision we cannot implement a concept for e-mail notifications and scoring

- ✓ Test environment prepared
- ✓ Memory consumption profiling tool selected
- 😄 Ongoing investigation of memory consumption
- 😞 Not all planned tasks very finished due to holidays

Identity Broker

✓ Good progress on document, (requirements, possible vendors, interested parties, survey questions)

<https://docs.google.com/document/d/1v688qeaPJEMghH17SB-d962Uslwa1-KHlnTOqwviDhc/edit#heading=h.vwjhp86obv2x>

😊 Contact has been made with eID, Onfido for further information on their solutions (APIs, pricing etc.)

😊 SIG-MSP, TF-Edu were asked for interest in ID broker service (one expression of interest so far)

😞 No response from Christos (eduTEAMS) due to holiday season

🚫 slowly progressing

- ✓ Docker-based setup started
- ✓ Started the RFC for User Management
- ✓ Started the RFC for the Institutional Model
- ✓ Multi-language support started

😊 Engaged with Thijs

⊖ Feedback on documents and discussion how to proceed

Thank you
