

H5P

h5p.com

Interactive content using H5P

Create better content faster with H5P. Join the powerful H5P OER movement and change the world of interactive content.

Variety of content types

30+ content types. Get a glimpse of how H5P can enrich your website with interactive content.

Responsive Content

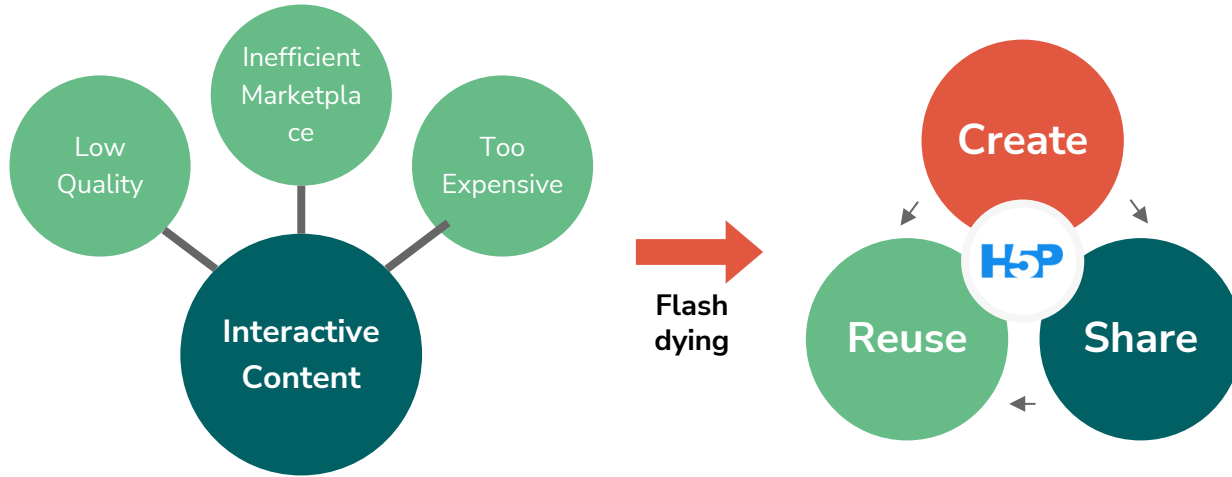

H5P content is responsive and mobile-friendly, which means that users will experience the same rich, interactive content on computers, smartphones, and tablets alike.

Unparalleled Compatibility

Content created on tens of thousands of H5P sites may be uploaded to H5P.com. The content will work the same and also may be edited and translated the same way on all H5P enabled sites.
