

# eduGAIN eSC Feb 2025 Service update

**Davide Vagheti (GARR)**  
*eduGAIN Service Owner*

[www.geant.org](http://www.geant.org)

# Operations Team

- eduGAIN Core Services architecture
  - Fully automated deployment
  - Dockerization of the core services
  - Activated 2nd site at GARR
  - Started working for 3rd site at SUNET
  - **NEW:** eduGAIN status mailing list (warning messages)

# eduGAIN Candidates

Ready or soon to be for **OT set up** and **eSC policy review**:

- TIF (Tanzania)
- GIF (Ghana)
- Togo (eduID.tg)
- MAREN IF (Malawi)
- eduID.bf (Burkina Faso)

# eduGAIN CSIRT

- eduGAIN Security Table Top Exercise
  - Will be held in Taipei next month

# eduGAIN OpenID Federation effort

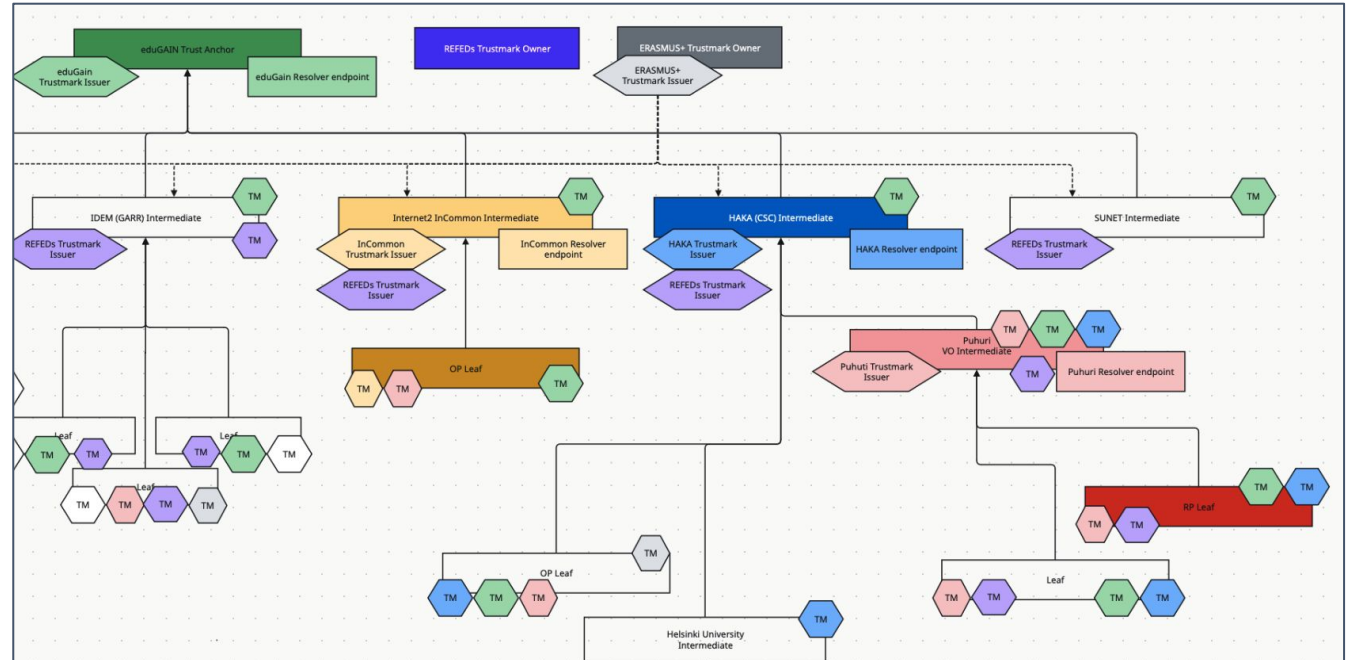

TRUST is based on trust chains with eduGAIN as Trust Anchor,

ENTITY VALIDATION is based the eduGAIN Trust Mark.

ENTITY RESOLUTION is provided by a resolver endpoint at federation and inter-federation level that provides metadata about entities

# Thank you

Any questions?
